Ryuga and his Lord L Drago ah ah old days. I have managed to Overcome strength and reveal L Dragon's superior abilities on my own, and I've gained the power I've had by putting my whole life on the show to be the best. Therefore lui as ryuga bncehuy is better and yes I drago has a Beyblade and the strongest blader, although the story of the season is low, it can increase its display and the mod change is also in season 2, but it's not like in metal and yes, you're right, it doesn't replace the old station: Kurenai Shu 14.09.2017, 18:45:38 » 0 0 0 , but I think this injustice was caused by a crack by the pitch that would have renewed the pitch and rebuilt mac but did not get me wrong I keep the Volt deil From: Ardivas - 15.09.2017, 16:07:12 » 1 0 I don't think it's even more lui not even mentioned , if you recognize the Valt From: Oriax 20.10.2017, 23:09:07 » 1 0 This episode was still badly said, but the old ones are really missed. L\_Dragoyu am looking for the Pegasus. Of course it was great at the Bakuten shoot or something. Vaybee, what days I miss so much really 2nd season nolcak room curiosity under on something separate :- Page 9 From: Ardivas - 04.08.2017, 16:25:23 » 0 0 0 and this time I lost luck well I started to love burst, The main role definitely lost a premiere in the history of the animated series Von: bladchi - 04.08.2017, 16:28:44 » 0 0 0 and this time he lost his luck i to love bursting u very , he lost the lead role is definitely a premiere in the story of the cartoon series I was always angry at the screenwriters I was angry with shu again I wouldn't be angry if he would lose again : mustafa. 00:56:03 » 1 0 I don't know if I've only seen the finale of this season, I don't know if it's a substitute for the old seasons that I laughed a lot in the final, but if the Valtrek shines, it will come for a season called burts God, from now on there's a guy who looks like a Ryuga , I don't think you can tell yourself a little about the rider and the Dagi tasi parcala beyblade After trying to eat, make a season like this The names of Beyblades in metal were good to change the shapes, the colors, the mods, and my favorite bubble guy is like adam Ryuga and his brain L Drago ah ah old days. I've managed to overcome the dark force and reveal L Dragon's superior abilities on my own, and I've gained the power I've had by putting my whole life on the show to be the best. So ryuga Von: Ardivas - 31.08.2017, 14:25:59 » 0 0 0 0 I don't know if I've only seen the finale this season I don't know if it's a substitute for the old seasons, I've laughed a lot with metal in the final, but if the Valtrek shines, burts god will come for a season from now on , I just say there's a guy out there , which looks like a Ryuga, and I just say that you tried to eat the world with a horse blade and a Dagi parcala beyblade, and then make a season like this. Man Ryuga and his gentleman L Drago ah ah old days like the bubble man I love. I've managed to overcome the dark force and reveal L Dragon's superior abilities on my own, and I've gained the power I've had by putting my whole life on the show to be the best. Therefore lui as ryuga bncehuy is better and yes I drago has a Beyblade and the strongest blader, although the story of the season is low, it can increase its display and the mod change is also in season 2, but it's not like in metal and yes, you're right, it doesn't replace the old station: Kurenai Shu 14.09.2017, 18:45:38 » 0 0 0 , but I think this injustice was caused by a crack by the pitch that would have renewed the pitch and rebuilt mac but not built incorrectly , I had already offered it Valt had not asked for it From: Kurenai Shu 13:02:58 » 1 0 but lui had already offered, that Valt didn't want Valt I thought it was for the 2nd season From: bladci - 15.09.2017, 13:55:26 » 0 0 I think it's until the 2nd season : Ardivas - 15.09.2017, 16:07:12 » 0 1 I don't think it's even more lui not even mentioned , if you recognize the Valt From: Oriax 20.10.2017, 23:09:07 » 1 0 This episode was still badly said, but the old ones are really missed.
